

# Think Pink 2011

October is Breast Cancer Awareness Month, and we ask you to join the Bolhsen Restaurant group as we help raise funds for this worthy cause.

For each dish and each drink ordered from the **Think Pink Menu**, which features ingredients that aid in preventing cancer, a portion of the proceeds will be donated to the Huntington Breast Cancer Action Coalition.

**Prime (117 New York Avenue, Huntington, NY [631] 385-1515** in support of the Huntington Breast Cancer Action Coalition ([www.hbcac.org](http://www.hbcac.org)) and throughout October, breast cancer awareness month, will donate \$1-\$2 from each **Think Pink** menu item. Pink touches, with ingredients known to be rich in antioxidants, are highlighted on a devoted menu. Shades of pink also inspire special wine and cocktail selections.
